Text of the Amendment.

The amendment reads: "Provided, that the passage of this act shall not be construed or held as a waiver or relinquishment of any right the United States may have under the treaty with Great Britain, ratified the 21st of February, 1912, or the treaty with the republic of Panama ratified February 25, 1914, or otherwise to discriminate in favor of its vessels by exempting the vessels of the United States or its citizens from the payment of tolls for passage through the canal, or in any way waiving, impairing or affecting any right of the United States under said treaty, or otherwise, with the respect to the sovereignty over or the control of the canal, or the management of said canal and the regulation of the conditions or charges of traffic through the same."

The amendment, proposed as a substitute for the Simmons amendment, was defeated, 49 to 32. It is declared that nothing in the repeal act should be considered as denying or abridging the right of the United States to discriminate in favor of American shipping, and added that on the contrary, such right is reserved.

The Original Hepstall Bill.

The repeal bill, as it came to the senate from the house, read as follows: "Be it enacted, etc., that the second sentence in section 3 of the act entitled 'An act to provide for the opening, maintenance and protection and operation of the Panama canal and the sanitation of the canal zone,' approved August 24, 1912, which reads as follows: 'No tolls shall be levied upon vessels engaged in the coastwise trade of the United States,' be and the same is hereby repealed."

"Section 3. That the third sentence in the third paragraph of said section of the said act be amended so as to read as follows: 'When based upon net registered tonnage for ships of commerce the tolls shall not exceed \$1.25 per net registered ton, nor less than 75 cents per net registered ton, except, however, to the provisions of article 15 of the convention between the United States and the republic of Panama, entered into November 18, 1912.'"

It generally was conceded that the amendment would be accepted by the house and finally passed by the president Wilson. While it is said the president will approve the repeal with the amendment, he preferred that it be passed without one.

Simmons-Kenna Amendment.

Senator Borah and Senator Simmons debated the Simmons-Kenna amendment. This amendment is one of reservation of right. Said Senator Simmons: "It asserts no right of the United States in the canal, but reserves any right we may have in the premises. The Senator understands that the United States has a right to exempt its ships. That raises a square issue for us to decide. It is a challenge any man to rise here and say that the president approves of this amendment," declared Senator Borah, republican, referring to the compromise he had made in his position where he must either compromise his integrity or his conscience. Did not the president ask us to grant this repeal ungrudgingly and without reservation?"

Senator Williams, democrat, predicted that after the repeal session would be eager to vote for arbitration. Before repeal he asserted only a few senators would vote for arbitration.

Newlands for Kenna.

Senator Newlands, democrat, declared he favored the Kenna amendment before the repeal session. He said the amendment will be passed by the senate on July 15, and the submission of the bill to the president. He said the amendment is a compromise between the two sides. He said the amendment is a compromise between the two sides. He said the amendment is a compromise between the two sides.

They Came to See Wedding, But Were Two Months Late

CLUB WOMEN HOT, AND TO BE HOTTER

By Mrs. Harrie Jordan.

Chicago, June 10.—(Special.)—Heat has been the most burning subject of the moment since the 15th delegates and visitors arrived in Chicago for the biennial convention of women's clubs. Mrs. Kennabaker, general secretary of the convention, predicts that the temperature will go up to 100 degrees.

street, and will, within the next sixty days, open an exclusive establishment of boys' and children's wear.

Stores of this character have a popular vogue, in the large cities; as in clothing as in other commodities, specialization always brings out the ultimate in the possibilities of the business.

Mr. Fox is now in the eastern markets, buying extensive lines of juvenile apparel, and it goes without saying that his well equipped knowledge of the business and the demand of his trade will conspire to guide him in a course of purchases that will give Atlanta the best juvenile store in the entire south. Formal announcement of the opening of the new store will be made in The Constitution.

Blood Risings Not Sign of Health

Blood is Caused by Sluggish and Impure Blood

Look Out for Volcano Effects

When there are swellings, gatherings or risings of the skin it is a sure sign that the blood needs help. It needs the cleansing that can be had only by the famous blood purifier S. S. S. Any eruption of the skin shows the body is retaining impurities, and either continue to circulate and impoverish the blood or are deposited here and there in the form of abscesses or surface risings and eruptions.

A host of people use S. S. S. every spring and summer to withstand those habits that leave the system tired out. Get a bottle of S. S. S. today if any eruptions. Give your blood a good bath. It will cause your liver to convert impurities, your lungs to burn them, your kidneys to excrete them and your skin to carry them off thus leaving your entire system fresh and clean to revive and again be conscious of renewed health. Write to The Swift Specific Co., 108 Swift Bldg., Atlanta, Ga., for their great book on skin afflictions "What the Mirror Tells."

ALLEGED GAMBLERS BRANDED PERJURERS

One Man Bound Over, But Cases Against Eight Others Are Dismissed.

Judge Nash Broyles Wednesday afternoon dismissed the charges of gambling against eight of the nine men arrested Tuesday night in a police raid on the Scotts apartments, on Peachtree street, but bound J. A. Marx, a roomer, over under bond of \$100 for running a gambling house.

The police officers, led by Assistant Chief E. L. Jett, made the raid, following a telephone message received at headquarters stating that a "shoot-out and fighting scrape" was going on on the third floor of the Scotts apartments.

Thinking that someone had been shot, on their arrival at the apartments they rushed upstairs, and ran into Marx's room, where they found several sets of poker chips \$15.00 in silver, several decks of cards, and many dice. Three dozen bottles of beer were on ice in a closet.

No game was in progress, though, and when the police officers rushed into the room, some of the men were discovered sleeping on the beds, and all eight men claimed that they had not seen or heard of any gambling in the room until they were arrested.

Broyles dismissed their cases, and swore them as witnesses against Marx, since Marx claimed the \$15.00 in silver change, and confessed to be a roomer in the apartment.

The witnesses were sworn each of the witnesses as perjurers, and declared that there was not a man in the courtroom who believed them.

DANIEL'S CLOSES EARLY WEDNESDAY AFTERNOONS

All the employees of the Daniel clothing store, at 45 Peachtree street, were given a half holiday Wednesday, leaving work at 1 o'clock in the afternoon. This will be repeated each Wednesday during the hot summer months.

The Daniel's store is the first clothing store in the city to grant half holiday on Wednesdays to their employees.

J. Daniel, president of the company, said Wednesday in regard to the half holiday:

"We think that our men ought to have an afternoon off during each week in summer, and, as it is impossible to give them off on Saturdays and Sundays, Wednesday is given instead. It allows them to buy a tie, a shirt, or a clean collar, and cannot arrange to buy it from before 1 o'clock on Wednesday, because our store is closing promptly at 1 o'clock to allow the men to get out in the fresh air and enjoy themselves."

SAVANNAH MAN HEADS GEORGIA PHARMACISTS

The Georgia Pharmaceutical association adjourned their annual convention Tuesday night at Indian Springs after a successful two days session.

Dr. Walter D. Jones, of Savannah, president of the association, was elected for the year. He was elected by a vote of 100 to 1.

The association was organized, and will meet with the pharmaceutical convention each year. The 1915 meeting will be held at Tybee Island.

Atlanta delegates to Indian Springs declared that it is most probable that Dr. Walter D. Jones will be appointed by the governor to the vacant place on the Georgia board of pharmacy.

GRAND JURY TO PROBE COUNTY BOARD CHARGES

The grand jury, upon going into session yesterday, decided to begin the requested probe of charges of graft and irregularities that were made during the recent election campaign against the county commissioners.

The jury, it was stated, will start the investigation within a week at present. Its activities are confined to ordinary routine and investigation. It is expected that the investigation will be prompted into the untoward charges of the Frank case, and the investigation of the Jimmy Wren case, the investigation of the charges against the county commissioners in gathering evidence.

The jury adjourned at 1 o'clock Wednesday afternoon.

GIRL OF 16 REMARRIES HER DIVORCED HUSBAND

Miss Cleo V. Smith, who is 16 years old and who was recently divorced from George W. Dodd, met her divorced husband on the street the other day had a short chat with him, and decided to remarry him.

Informing her mother, Mrs. J. J. Smith, of Jacksonville, Fla., she gained her sanction. She made application at the ordinary office for marriage license, but was told that she would have to bring her mother's official consent.

The license was issued and going to the office of Rev. J. J. Jones, Jr., Wednesday, the second marriage was performed.

KELLEY MAY OPPOSE MAYOR WOODWARD

If He Makes Race, Either McCord or Knight Will Enter Aldermanic Contest.

Politics around the city hall began to boil Wednesday when it became known that friends of Alderman C. H. Kelley, of the second ward, are boosting him into the mayoralty race against Mayor

DR. JOHN C. WHITE. Who will enter race for council from the seventh ward.

James G. Woodward in the event "Uncle Jim" decides to make the race again.

If Alderman Kelley jumps into the contest against Mayor Woodward, it is almost certain that either Councilman C. D. Knight or Joseph McCord will make the race for the aldermanic board. Councilman Knight has served two years in the general council, but his friends say that that fact does not disqualify him from entering the aldermanic race. Councilman Knight and Alderman Kelley stood shoulder to shoulder in the fight for \$15,000 for widening and paving North Pryor street, and the fact that they landed the biggest improvement project in the ward in years has given them considerable prestige.

Councilman Knight's efforts in the interest of the school teachers when they were fighting for increased pay and the success which followed, has also added to his strength. However, Councilman Knight is not talking about his ambitions. It is known that he is contemplating a trip to the summer, and if he leaves Atlanta for any great length of time he will not be in a position to give personal attention to his campaign.

Two councilman announcements were made Wednesday.

Councilman A. R. Colcord, of the seventh ward, will seek re-election, will be opposed by Dr. John C. White, a physician, who lives at 146 Park street. Councilman Colcord will have served his first term at the end of this year. Since he has been in council he has given a number of important committee appointments by Mayor Woodward. Dr. White is an aggressive citizen and has many strong friends in the ward.

In the ninth ward, Councilman Charles W. Smith will make a race for alderman. He has no opposition up to the present time.

Actors at Lyric Will Present One-Act Play For the Atlanta Club

A complimentary performance of "The Dragon's Claw" was presented to the Atlanta club, on the club's roof garden, last night by the Lyric theatre stock company, which presented the playlet so only at the Lyric theatre last week.

The play began about 11 o'clock, and was preceded and followed by dancing. The play was elaborately staged, and was greatly enjoyed by the officers, members and friends of the club.

WHEELER TO ARRANGE FOR GEORGIA MOVIES

The Georgia commission for the Panama-Pacific exposition has engaged L. C. Wheeler, of Washington, D. C. to arrange for the motion picture planned to be a part of the state exhibit at San Francisco next year.

Mr. Wheeler arrived in Atlanta Tuesday, and was in conference with Chairman Frank Whitson. Mr. Wheeler was in charge of the motion picture service for eight years, under President Roosevelt, Taft and Wilson, and resigned that connection only a few weeks ago to take up this work.

BOARD RAPS M'WORTH AND REVOKES LICENSE

W. D. McWorth, the Burns detective who was not fined by Recorder Broyles in the recent trial of several Burns operatives, was rapped by the police board Tuesday night, and his license to continue operation in the city as a detective was revoked.

The revocation of McWorth's permit followed the recommendation of Police Chief Beavers that he be no longer continued on the list of approved private detectives.

A letter from Dan S. Lehon, a Burns detective charging that twenty-two Pinkerton detectives had been operating in the city with approval of the police board, was referred to Chief Beavers with orders that he investigate the charges and report back at the next meeting.

No action was taken in regard to the case.

INMAN PARK CITIZENS MAKE FIGHT FOR PARK

Inman Park citizens have carried into Judge Hill's court the fight over the plot of land at Euclid avenue and Waverly was called "Meas," which they wish to retain for park purposes.

As injunction was granted a year ago restraining the land company which owned the property from disposing of it, on the ground that when persons purchasing adjoining properties took over the deeds they were assured that the Meas would permanently remain a park.

The case will probably be concluded today.
